

RED CROSS WAR MEMORIAL CHILDREN'S HOSPITAL UNIVERSITY & UNIVERSITY of CAPE TOWN

Paediatric Ophthalmology & Strabismus Fellowship

The Fellowship is attached to the Paediatric Ophthalmology Service at the Red Cross War Memorial Children's Hospital (RCWMCH), the Division of Ophthalmology at Groote Schuur Hospital (GSH) and the University of Cape Town (UCT).

The Fellowship is intended for ophthalmologists with an interest in developing their expertise in paediatric ophthalmology.

The fellowship is funded by a well-funded scholarship.

Duration: 12 months (with option to extend to two years, with motivation)

Requirement and Competencies:

- HPCSA registration as an Ophthalmologist
- Candidates are expected to have extensive surgical experience with adult cataracts
- Candidates who work in the public sector, or plan to do so in the future, will be given preference

If you should be interested, please apply by emailing a copy of your CV to nicola.freeman@uct.ac.za

Please include a brief paragraph describing how the fellowship would benefit you and your local institution, city, or province.

Please feel free to contact Dr Freeman or Dr Narainswami neerannarainswami@gmail.com for any questions you may have.

RED CROSS WAR MEMORIAL CHILDREN'S HOSPITAL

The Red Cross War Memorial Children's Hospital is a dedicated child health institution and offers a comprehensive range of specialist paediatric services. It is a centre of excellence for the training of all categories of child health professionals.

Patients from all nine provinces of South Africa and from all over Africa are referred to the hospital.

It is regarded as one of Africa's leading centers for postgraduate paediatric medical and surgical specialist training. The hospital's tertiary facility provides comprehensive dedicated paediatric services with a full range of sub-specialties and is active in paediatric outreach and support programmes.
